SUBJECT: Nomination of Committee Delegates for SG 161/20
Conference (U)

com-15

TO: Director, Central Intelligence
Central Intelligence Agency Headquarters Building
Washington, D. C. 20505

1. (U) The Ad Hoc Intelligence Working Group (AHIWG) for the preparation of SG 161/20 will convene in Washington on 21 March 1966. The conference is scheduled to continue until 1 April 1966.
2. (C) The Director, Defense Intelligence Agency, invites you to nominate delegates to participate with representatives on the Economic Committee and the Scientific and Technical Committee. Alternates also should be named at this time. The delegate nominated for the Economic Committee will be the U.S. spokesman for the representatives on that committee. In past conferences you have nominated a delegate to serve on the Political Committee, and representation on this committee is available if you desire to name a delegate for the position.
3. (C) You are also invited to nominate a representative for the Steering Committee to assist and advise the Head of the U.S. Delegation.
4. (C) It is my understanding that you wish to nominate representatives to serve as observers during the proceedings of the AHIWG. This is a continuation of past procedures and you are invited to forward nominations. Because of space limitations, however, it is requested that your observers be limited to two.
5. (C) All nominees must be certified to possess U.S. TOP SECRET and COSMIC TOP SECRET clearances. It is requested that your memorandum of nomination include such certification. Nominations are desired by 22 December 1965.
